Household Batteries (Including rechargeable batteries)

No automobile batteries can be accepted.

NOTE: Please cover each end/terminal of each battery with masking tape or other strong tape before bringing them in for recycling. This is required in order to meet Department of Transportation regulations for battery shipment. Batteries of the same size may be taped in groups.

Cell Phones, Cell Phone Batteries, and Chargers

Thermostats Containing Mercury - Carefully remove the cover and look inside. If there is a glass ampoule containing a silvery substance, the thermostat contains mercury.

Collection sponsored by the Fulton County Health Department and the Tri-County Resource and Waste Management Council, with support from the Western Illinois Regional Council.
