

Board of Health Meeting Minutes

The regular meeting of the Board of Health was held Tuesday, June 20, 2017
at 700 East Oak Street, Canton.

President Phillips called the meeting to order at 7:01 PM with members Brown, Hoke, Schell, and Dr. Stinauer present. Members Beck, Leffler, and Dr. Gowda were absent. Staff attending the meeting were Roberson, Hiett, Lynn, and Rose, and Miller.

President Phillips asked if there were additions or corrections to the minutes from the April 18, 2017 meeting. There were none. Brown motioned to approve the minutes as written with Nancy Schell seconding the motion. All ayes, motion passed.

There was no one present for Public Comments.

Lynn Miller gave the financial reports for the months of April and May. Nancy Schell and motioned to approve the financial report as presented with Judy Brown seconding the motion. All ayes, motion passed. Financial Reports placed on file.

New Business

None

Old Business: Administrator Search. There were two resumes sent in that were qualified for the Administrator posting. The committee will conduct interviews in the month of July.

Division Reports

Louise Hiett reported for Family and Community Health. Marcha Hobbs received notification that she passed the International Board Certified Lactation Consultant exam. This is a big accomplishment.

The Grant Keime office in Cuba had a successful evaluation of the Home Services and Home Nursing license conducted by IDPH.

Five people attended the Annual Preparedness Summit in mid-June at ISU in Normal. Karol Herink was part of a presentation on "Non- Medical Dispensing Model". Representatives from CDC also attended.

Fulton County Health Department has been in contact with Matt Vogel at Graham Hospital regarding rabies vaccine and immune globulin. Over the last several months, there have been several instances of people needing prophylaxis for rabies and the hospital supply has been depleted. Question was asked if it was from dogs and the answer was bats. President Phillips asked about bats for testing.

Katie Lynn reported for the Environmental Health Division. First positive West Nile was discovered from samples in Bryant. Thirteen counties have had WN activity.

Food events are keep EH staff busy. Joe Ginger would like to do a public service video on West Nile Virus and Bed bugs. She will try to get Dr. Katherine Miller-Hunt from WIU who is helping do the mosquito testing to appear on video.

Vector Surveillance Grant has changed their cycle dates, will go from April 1st -March 30 to July 1st -June 30th, however we will get reimbursed for what we have already done.

Dr. Phillips asked about fines on freelance tattooing. There is a fine, but would be up to IDPH to prosecute. Katie did state that the city has their own tattoo ordinance.

Amy Rose reported for the Dental Clinic- Dr. Shoff has been approved in Impact. There is very high chance that a new dentist will be coming in on Fridays. Dr. Sudholt is only here six days a month and the new dentist will help move fillings up on the schedule.

Administrator's Report- Damon has been gone for a few weeks from the last month. He praised all employees on getting things done during his absence.

President's report- None

President Phillips motioned to adjourn the meeting at 7:20, with Vickie Hoke seconding.

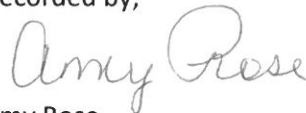

Meeting adjourned.

Respectfully submitted,

R. U. Gowda, MD, Secretary

Recorded by,

Amy Rose
